AGENCY  
ON AGING  
AREA 4

# ABOUT AGENCY ON AGING AREA 4

---

Agency on Aging Area 4 (AAA4) is one of 33 agencies on aging in California designated by the State to develop, coordinate, and fund programs to help older adults and people with disabilities maintain their health and independence. We fund and monitor programs provided by local community based organizations with funding under the Older Americans Act.

## VISION

Agency on Aging Area 4 envisions an ageist- and ableist-free society.

## MISSION

Agency on Aging Area 4's mission is to enrich the lives of older adults and people with disabilities by fostering networks of support, advocating for individual choice, collaborating with others, ensuring equity, and striving to do so with conviction.

# AGING IS ABOUT LIVING **FOR ALL**

---

Agency on Aging Area 4 is committed to cultivating collaborative, caring and compassionate communities across every facet of our operations. We've already begun the work of integrating these core values into all our agency's operations.

We model those values as we advance our mission by developing policies that improve everything from our contractual agreements to the way we recruit employees, structure our volunteer programs, and deliver services.

Agency on Aging Area 4 is a certified Age-Friendly Employer and has successfully completed LGBTQ+ Cultural Competency Training.

# WHO WE SERVE

---

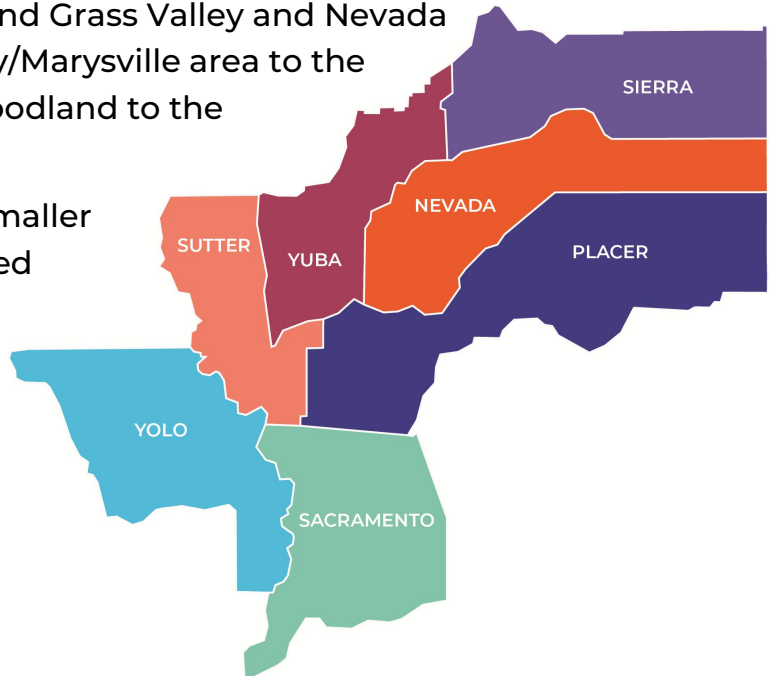

- Adults age 60 and over
- People with disabilities
- Veterans
- Kinship of aging adults
- Caregivers of aging adults

# WHERE WE SERVE

---

Agency on Aging Area 4's service area includes several distinct urban and bedroom communities outside the Greater Sacramento region, including Auburn, Truckee, and Grass Valley and Nevada City to the east; the Yuba City/Marysville area to the north; Winters, Davis and Woodland to the west, and Galt to the south.

Finally, there are dozens of smaller townships and unincorporated areas scattered across the service area. In fact, there are more aging adults living in rural areas in Area 4 than in any other agency on aging in California (40,000+).
